

passed the House/S. 91 as reported by committee in the Senate). Our legislation has bipartisan backing and the support of a broad coalition of tribes and tribal organizations.

During consideration of the legislation, a question was raised as to whether any Head Start services would be eligible for incorporation into a tribal "477 Plan" under H.R. 228/S. 91. The answer is no—Head Start is an early childhood education program, and does not fit into any of the categories of eligible programs' purposes that are listed in Section 6 of the bills. Head Start services are not eligible under current law for incorporation into tribal 477 plans, and will not be eligible under our legislation.

We wanted to take the opportunity to provide this background should it be helpful in the future.

Sincerely,

DON YOUNG,

## 20TH ANNIVERSARY OF STATEN ISLAND FOUNDATION

### HON. DANIEL M. DONOVAN, JR.

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 28, 2017*

Mr. DONOVAN. Mr. Speaker, I rise today to congratulate the Staten Island Foundation on its 20th anniversary.

Seeking to better their community, the Board of Directors of the former Staten Island Savings Bank, led by Harry P. Doherty, created the Staten Island Foundation in December 1997. Their goal was to improve Staten Island for all its inhabitants by providing grants to local projects. Specifically, the Foundation's mission aims to better Staten Island's education, health, community services, and arts and culture. Its impact on our community over the past 20 years has been nothing short of incredible. The Foundation's countless grants have made a tremendous impact on Staten Island.

One project in which the Staten Island Foundation participates is the Tackling Youth Substance Abuse Initiative. Through partnerships with other organizations, the Foundation's involvement in the Initiative is crucial to fighting alcohol and prescription drug abuse by Staten Island's children and teens. Furthermore, with the opioid epidemic ravaging our community, I commend the Foundation for stepping up to combat this tragic problem. It is up to all of us to do what we can to prevent and combat addiction, and the Staten Island Foundation is doing its part to rid this scourge from our community.

Mr. Speaker, I want to congratulate the Staten Island Foundation on its 20th anniversary. It has helped numerous Staten Islanders over the years, and I wish to thank everyone involved for their tireless efforts in making the Foundation successful.

HONORING ANDREA DEUTSCH

### HON. DWIGHT EVANS

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 28, 2017*

Mr. EVANS. Mr. Speaker, I rise today to honor a hard-working and influential woman,

Andrea Deutsch, a dedicated attorney, small business owner, former Narberth Councilwoman and now Mayor of Narberth, Pennsylvania.

Andrea Deutsch was born in Philadelphia on September 20, 1967 to Judy and Mike Deutsch and grew up in the local suburb of Wynnewood. She attended Friends' Central school for high school and then went to Franklin & Marshall College, where she graduated in 1989. Thereafter, she went to Temple University School of Law, where she received her JD in 1992. She practiced law for 10 years, the majority of which was at Deutsch, Larrimore, Farnish & Andersson, in Philadelphia. After 10 years of being an attorney, she decided to leave the practice of law to open small business in 2003, called Spot's—The Place for Paws in Narberth, where she sells healthy food, treats, toys and accessories for dogs and cats. She has always had a passion and love for dogs and helping people. Spot's has allowed her to combine these passions by helping customers keep the pets in their life happy and healthy.

She has led an interesting life, filled with great adventures and challenges. At the age of 15 months, she was diagnosed with Type 1 Diabetes and has taken multiple injections of insulin a day to stay alive since that time. When she was younger, she was involved in advocacy work for the Juvenile Diabetes Research Foundation. Later on, she became involved with the American Diabetes Association through its annual Tour de Cure Bike Ride, where she was the Volunteer Chair of the Event for the last 3 years. More recently, her experience as a Type 1 diabetic and small business owner has led her to be an outspoken advocate for expanded healthcare for as many people as possible. She has done so through her work with such organizations as the Pennsylvania Health Access Network and the Small Business Majority.

She has had a longstanding and profound interest in politics and government, as it combined her love of helping people with her knowledge of the law. In 2012, she was appointed to fill the unexpired term of a councilman who had stepped down from his position. As a councilwoman, she served on multiple committees, including serving as the Chair of both the Finance and Economic Development Committees. She served on the Narberth Council through the end of 2013 when the term ended. In 2017, the current, longtime Mayor of Narberth announced his retirement, and she felt the time was right for her to run for the position. She believed with her legal and business background, combined with her love for Narberth that she would be the right person to lead. On November 7, 2017, she was officially elected to fulfill this role, and became the first woman and the first Jewish person to be Narberth's Mayor since its incorporation in 1895.

As evidenced through Andrea Deutsch's experience, she has dedicated her life and career towards advocating and improving the lives of others. The 2nd Congressional District of Pennsylvania extends gratitude to Andrea Deutsch for her dedicated support to the Commonwealth of Pennsylvania.

IN RECOGNITION OF SHARON  
LEVINE

**HON. JACKIE SPEIER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 28, 2017*

Ms. SPEIER. Mr. Speaker, I rise to honor Dr. Sharon Levine, an exceptional healthcare

leader who has strived every day of her career to move our healthcare system forward to provide better access, quality and coverage. I've known Dr. Levine for many years and had the great honor to work with her. Dr. Levine was often the voice of Kaiser as the sponsor or supporter of major health care legislation I offered while in the California State Assembly and Senate. When it came to reproductive health issues, Dr. Levine offered compelling testimony on why the bills were necessary. I often marveled at the ability Dr. Levine had at dispelling myths and misperceptions Members had on particular issues without making them look ignorant.

Dr. Levine recently retired from a remarkable, more than 40-year-long career with Kaiser Permanente. She had served in an executive leadership role for the Permanente Medical Group since 1991. In 2015, Dr. Levine accepted the role of Executive Vice President for External Affairs for the Permanente Medical Group, a position she held until her retirement.

Dr. Levine graduated from Tufts University School of Medicine and began her medical career in pediatrics at the Georgetown University Community Health Plan. In 1977, she joined the Permanente Medical Group as a pediatrician and spent the next four decades serving residents of northern California.

In addition to being an invaluable doctor to her patients, Dr. Levine has educated physicians and clinicians throughout California and the Kaiser Permanente system, inspiring and coaching them to deliver better care and about ways to improve our healthcare system. One of her important responsibilities was to ensure that Kaiser Permanente's prescribing and pharmacy policies were patient-centered and that they were rooted in common sense, with physicians closely involved in promoting both excellent quality and sound clinical management. Her leadership on this issue greatly benefited Kaiser Permanente members, patients and customers.

Dr. Levine's contributions have had an impact beyond California through her service on numerous boards of directors, including serving on the Patient Centered Outcomes Research Institute, the Medical Board of California, the Institute for Medical Quality and the Insure the Uninsured Project. She has passionately advocated for public policy that ensures physicians are at the center of critical decisions that affect patients, whether in the exam room, in the board room, in the hearing room or in the auditorium, where the next generation of health care leaders learn about what works in American health care and what still needs to be improved.

Dr. Levine will continue to play an important role in the medical community. She was recently selected to serve as board member of the newly established Kaiser Permanente School of Medicine. In that role she will ensure that the curriculum of this medical school will be of the highest quality. She will also be a mentor to many aspiring physicians who share her lifelong commitment to medicine.

Mr. Speaker, I ask the Members of the House of Representatives to rise with me to honor Dr. Sharon Levine, a remarkable doctor, educator and advocate whose leadership and friendship I deeply value. While she will be missed by her Kaiser Permanente family, we can all feel assured that her contributions have permanently improved our current system. If we had more leaders like Dr. Levine in

our communities we would no doubt have a better healthcare system and healthier Americans.

**HON. EMANUEL CLEAVER**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 28, 2017*

Mr. CLEAVER. Mr. Speaker, I rise today to recognize and honor the 50th Anniversary of Primitivo "Tivo" Garcia's ultimate sacrifice for another. Primitivo's selfless act of valor and history are well known in Missouri's Fifth Congressional District, which I proudly represent. In 1943, Primitivo Garcia Loya was born in Chihuahua, Mexico to Antonio Garcia Garcia and Gregoria Loya Lerma. At the age of twenty-two, Primitivo migrated to the United States with his family in search of the American Dream.

Primitivo was like many other immigrants who come to the United States; he wanted to
